MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE CHIEF COMMANDANT, MYSORE STATE TROOPS, BANGALORE.

AUCTION SALE.

Notification dated 23rd January 1940.

The auction sale of unserviceable articles of this department which was notified to be held on the 27th instant at Mysore Military Stores, Bangalore, has been postponed to Friday the 23rd February 1940.

GOVERNMENT STUD FARM, KUNIGAL.

Notification dated 16th January 1940.

It is hereby notified that 1,000 empty gunny bargs (one thousand only) belonging to this Farm will be sold by public auction at 11 A.M. on 5th February 1940 at the Farm premises. The auction is subject to the usual conditions governing such auctions. The bags are open to inspection on any working day between 11 A.M. and 5 P.M. and details regarding the conditions of auction sale may also be ascertained at the Office of the Stud Farm, Kunigal.

G. MALLIKARJUNIAH,
For *Chief Commandant,*
Mysore State Troops.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, K. G. F., CHAMPION REEFS.

Notification dated 22nd January 1940.

Notice is hereby given that sealed tenders will be received from the Licensed Electrical Contractors at the Office of the Superintendent, Power and Lighting, Kolar Gold Fields, up to 3 P.M. on 19th February 1940, for the Electrification of Chintamani Railway Station.

The quantities are not guaranteed. The work should be completed before 20th March 1940.

2. The place and conditions may be ascertained from the Line Inspector, Power and Lighting, Chintamani.

3. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items will be executed, both in figures as well as in words, failing which no cognisance will be taken of the tender. The materials to be used on the work should strictly conform to the specifications and executed as per regulations and instructions of the department.

4. Each tender must be accompanied by a deposit of Rs. 30 in cash as Earnest Money, and be superscribed "Tender for Electrification of Railway Station at Chintamani," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Superintendent, Power and Lighting, Kolar Gold Fields, Champion Reefs, who does not bind himself to accept the lowest tender or to assign any reason whatever for the rejection of the tender.

6. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual agreement, in default of which his tender will be considered as cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Office of the Superintendent, Power and Lighting, Kolar Gold Fields, Champion Reefs, and of the Line Inspector, Power and Lighting, Chintamani, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of the tenders, the earnest money on rejected tenders will be refunded.

9. Materials that may be found necessary during execution should be supplied by the contractor himself.

10. In all matters not specifically provided for the decision of the Superintendent, Power and Lighting, Kolar Gold Fields, Champion Reefs, will be final and legally binding.

11. The materials to be used on the work should be of best quality conforming to the specification of this department and B.S. or A.I.E.E. specification. Teak wood planks to be used on the work should be free from knots, and cracks and well seasoned.

12. A period of two weeks will be allowed for the completion of the work in all respects from the date of final acceptance of the tender. A penalty of Rs. 10 for each day of delay over the stipulated period for completion of the work during the first week and Rs. 20 in the second week will be enforced. If there be further delay, the department will take charge of the installation at whatever stage it might be and arrange for the completion entirely at the risk of the tenderer.

13. If after the completion of the work any defect or fault develops in the installation within 12 calendar months due to bad workmanship or inferior quality of materials used, it will be binding on the tenderer to rectify the same, "Free of Cost." On this account 5 per cent of the total amount of the bill will be withheld and the same would be paid after the above period is over.
